

# Fashion STORE

You will need cocktail sticks to complete this activity.

## INSTRUCTIONS:

1. Glue this paper to a piece of card and let dry.
2. Carefully cut around the shapes.
3. Get an adult to cut the sharp ends from some cocktail sticks.
4. Attach a cocktail stick to the side of the shape using sticky tape.  
(Hint - to make Sindy hold the prop, use a small transparent hair elastic and wrap it around Sindy's hand.)

Please get a responsible adult to help you with this project.
