to help you with this project.

PLATES

INSTRUCTIONS:

1. Glue page one to a piece of card & let dry.
2. Cut around the shapes.
3. Cut around the chair shape on this page.
4. Carefully glue the shape onto the reverse of the chair and let dry.
5. Fold all shapes along dotted lines.
6. Insert the seat into the sides of the chair.
7. Insert the chair support into the slits of the chair sides.

Please get a responsible adult to help you with this project.

CUT | FOLD

INSTRUCTIONS:

1. Glue this paper to a piece of card.
2. Cut out the shapes and fold along the dotted lines.
3. Push one table leg into the other using the centre slits.
4. Glue the tabs and place the table top onto the legs making sure that it is central and let dry.

Print out as many tables and chairs
as your bakery needs!
